#### SUMMARY OF RULES TO CALCULATE THE PLATE WINNERS

(check for ties and resolve as per the rules in the Chairman's Cup contract)

- 1 Calculate Overall Teams in descending order
- 2 Overall Teams ranking 5th and lower fall into the Plate competition
- 3 Teams who fall in the Overall positions 1 to 4 are not eligible for trophies in the Plate competition
- 4 Teams who fall in the Plate competition (5th and lower) can win **Discipline Cups** in the Chairman's Cup
- 5 Teams who are in the Plate competition and who win a **Discipline Cup** may not win the Plate in the same discipline
- 6 Teams in the Overall Plate competition compete against one another for the discipline Plate trophies
- 7 Ties are resolved by 1) number of straights in a team, 2) if equal number of straights, then use highest individual score  
3) if highest individual score is the same, then use the next highest scores until the winner is determined.

The above tie-breaking rule applies to both Cup and Plate trophies
