The 42nd Annual CTSASA Chairman's Cup

CTSASA President's Welcome Message

On behalf of the CTSASA, I would like to extend a very warm welcome to all our provincial team members, families, friends and newcomers to the 2025 Chairman's Cup at Valley Gun Club, Paarl.

A Sad Goodbye to Cherished Members

Recently, we sadly had to say "goodbye" to two of our long-standing members and good friends, Howard Pennells and Mauritz le Roux. We have cherished their time with us and we send deep condolences to their families and friends.

Reflections

Reflecting on the past year, it's wonderful to see our clay shooting community growing stronger — united by our shared passion for the sport, camaraderie, and healthy, friendly competitions. As we look back, we can be proud of what we've achieved together. From exciting championships and memorable competitions to personal milestones and international successes with superb scores, it has truly been a year filled with great results and lasting memories.

Despite a few challenges and some tricky clays along the way, shooting costs have remained steady and our spirit towards the sport continues towards excellence — a true reflection of what makes our

community so special. We have built strong relationships with the ISSF, FITASC, and SASSCo. We are grateful for the continued support from our Olympic Sub Committee (OSC).

Live your dream

We have achieved success across all our disciplines. With LA28 in sight, we encourage our Olympic athletes to pursue their dream — the Olympic Games.

Olympic Goals

Our own Theo Botoulas is driving the Olympic disciplines and is preparing to present our LA 2028 plan to SASCOC via SASSCo — a fantastic opportunity for our Olympic Trap shooters to aim for qualification in the next Olympic Games cycle.

SASSCo News

With the new election at SASSCo, I would like to thank our outgoing president,

Continued on next page

CTSASA President's Welcome Message

continued from previous page

Mr Hennie Jacobs for his full support for Clay Target Shooting and welcome the new president, Bennie van den Heever. Our new SASSCo president has supported my nomination as Vice-President to the ASSF (African Shooting Sport Federation).

Marketing Project Bearing Fruit - with more to come!

This year, we also embarked on an exciting and brand-new marketing campaign, led by Michelle Dos Ramos, with the goal of promoting clay target shooting in schools and through corporate events. I am confident that this initiative will help us introduce the sport to new audiences and inspire the next generation of shooters, as already Michelle has produced excellent results with more to come!

Warmest Gratitude to our Sponsors

Our deepest gratitude goes to our sponsors and supporters, whose generosity and commitment make everything we do possible. Your contributions — whether through prizes, funding, or ongoing encouragement — play a vital role in helping us grow the sport and host quality events that everyone can enjoy. We truly appreciate your partnership and belief in our vision.

Our new sponsored banner has increased from 10 to 18 committed sponsors, which is impressive work by Michelle. We will continue to expose and showcase Clay Target Shooting at all levels and this remains our goal for 2026.

Thank you to our professional team

I would also like to extend my gratitude to our Executive Committee and Executive Officer for their continued support and dedication throughout the year. It is always a pleasure to be involved in such a professional team.

A big thank you also for Sarah's patience and input in addressing challenges in building a new membership and reports system on our web-site - her work and insight have been vital and essential.

Here's to a successful Chairman's Cup for you all!

To our provincial teams competing in this year's Chairman's Cup and the Team Managers — you've worked hard to earn your place, and we wish you all the best for a successful and enjoyable competition.

And finally, a special word of thanks to our families and parents who support our shooters day in and day out. You are the backbone of our sport, and your commitment makes all the difference.

As we move towards the end of the year and then onwards to another exciting season of clay shooting in 2026, let's continue to carry forward the enthusiasm, sportsmanship, and friendship that define our sport. Here's to many straights, safe shooting, and another successful year ahead!

Warm regards,

Orazio Cremona
CTSASA President

World-class Firearms and Accessories

**CAESAR
GUERINI**

OVER-AND-UNDER COMPETITION SHOTGUNS

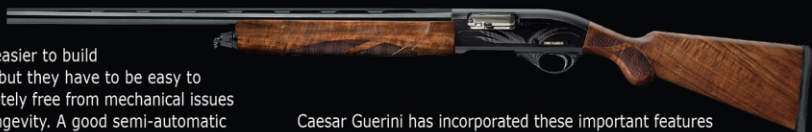

The Caesar Guerini over-under shotguns must meet three fundamental requirements: an impeccable mechanical design in every part, perfectly constructed and destined to last over time, as a guarantee of excellent performance; an optimal ballistic yield; and an equally good weight adjustment.

To these features are added a pleasant and refined aspect that distinguishes all Caesar Guerini's over-unders and gives them an unmistakable stamp of Italian style.

OVER-AND-UNDER FIELD SHOTGUNS

SEMI-AUTOMATIC SHOTGUNS

Contrary to popular thought, semi-automatic shotguns, are easier to build than over-and-under shotguns but they have to be easy to operate, safe to use and completely free from mechanical issues that could compromise their longevity. A good semi-automatic shotgun has to absorb recoil, fire any type of ammunition from the lightest loads to the heaviest magnum loads and still maintain excellent ballistic performance.

Caesar Guerini has incorporated these important features into its production philosophy and offers a complete line of inertia-operated semi-automatic shotguns that meet hunters' requests and needs.

The 42nd Annual CTSASA Chairman's Cup

A Friendly Cape Welcome from the Western Cape CTSA Chairman

On behalf of the Western Cape Clay Target Shooting Association, I would like to welcome you all to Valley Gun Club for the 42nd staging of the Chairman's Cup.

Most Prestigious Event

This is surely the most prestigious event on the CTSASA calendar. We get to see the country's best shooters in all four different disciplines, competing for the Discipline and Overall trophies.

The Most Demanding Competition

It is without a doubt one of the most demanding competitions because your performance here impacts your entire team, putting pressure on you to perform at your peak.

One of the Finest Clubs in South Africa

Special thanks to Valley Gun Club for hosting the event. Valley has long been known as one of the finest clubs in South Africa and being situated in Cape Town gives our visitors an opportunity to enjoy the wonderful hospitality of the Cape. The grounds, ranges and clubhouse are always

immaculately kept, and Anton and his staff are always on standby to help in any way possible.

2008 - the first Western Cape Victory

It was at this ground that Western Cape won their first Chairmans cup in 2008. I'm obviously a little biased, but I certainly hope that the home ground advantage works in our favour.

To all the shooters, I wish you every success. I know that each and every one of you will give only your best. As for our visitors, please enjoy the competition and the beauty that the winelands offer!

Good luck to all!

The 42nd Annual CTSASA Chairman's Cup

A Warm Welcome from the Valley Gun Club Chairman

Welcome to the 42nd Chairman's Cup, hosted proudly by Valley Gun Club in the breathtaking Cape Town surrounds.

5th Chairman's Cup in the Cape

This year marks a proud milestone, as the Chairman's Cup returns to Cape Town for the fifth time, a tradition that began in 1994 with the Cape Gun Club, and graced Valley Gun Club in 2001, 2009, and 2017.

Valley Gun Club is honoured and privileged to host the pinnacle event of South Africa's clay target shooting calendar.

A Warm Welcome to All Nine Provinces

We extend a warm welcome to participants from all nine provinces. May you find friendly rivalries, camaraderie, and memorable moments as you compete for excellence in your craft. Our best wishes go to every shooter for safe, fair, and thrilling competition.

Thank You to the CTSASA

A heartfelt thank you to the Clay Target Shooting Association of South

Africa (CTSASA) for nominating Valley Gun Club to host this prestigious event. Your trust is an affirmation of our club's spirit, facilities, and dedication to the sport we love.

We invite you to enjoy all that Cape Town and its surrounds have to offer, but most of all, to relish your time at Valley Gun Club—your home for this championship and a stage for outstanding sport, tradition, and togetherness.

Thank you, and may the 42nd Chairman's Cup be a memorable chapter in South Africa's clay target shooting history.

Regards

The 42nd Annual CTSASA Chairman's Cup

Competition Regulations

1. Shooting will start promptly at the specified time. The first squad must be on the ranges and **ready to shoot** 15 minutes before the allotted time. Succeeding squads to be on the range 10 minutes before preceding squads have completed their round. **Any shooter absent when his/her squad is due to shoot will forfeit the complete round of targets.** An appeal to the appropriate jury may be made to consider the reason for the absence. An appeal fee of R250 must be paid with the appeal and the appeal must be in writing.
2. **Scoring** : If you are required to score, the following are applicable rules:
Trench : two shooters from the previous squad to score for the next. Visible scoreboard on Trench to be used.
Trap & Skeet : one shooter from previous squad to score for the next.
Sporting : The umpire may score the round or may nominate a person from within the squad to score.

After you have completed your round and it is your turn to score, you are not permitted to leave the range. A penalty loss of one target will apply if you leave the range for any reason before you have completed your scoring duty or if you fail to score when it is your turn to do so.

All shooters must sign for their scores before leaving the range.

All shooters in all disciplines must check their score before leaving the range and at appropriate times during the round. Any dispute regarding scores cannot be reported to the jury unless a protest is made according to the discipline rules and before leaving the range.

3. Umpires will be provided where possible on all ranges. **Competitors will be required to score** and will score in rotation in squad position order. In Universal Trench, shooters 1 and 3, then 2 and 4, then 3 and 6 to score. In the Sporting discipline the umpire may nominate his scorers from within the squad. **Refusing to score is not permitted.** Any shooter refusing to score will be penalized with the loss of 3 targets per refusal.
4. The first Sporting Squads should also report to the ranges 15 minutes before the allotted time. Sporting shooters to proceed immediately to the next range as per the shooting schedule.

The 42nd Annual CTSASA Chairman's Cup

Competition Regulations

5. The 10 second 'ready' rule in FITASC Universal Trench and the 15 second rule in FITASC Sporting will be strictly applied.
6. **Applicable rules:** CTSASA Competition Regulations, ATA, FITASC, NSSA Skeet. At all times, where there is a CTSASA over-riding bye-law, this will take precedence over the individual discipline rules.
7. **Shooters may not change squads and squads may not alter the squad shooting sequence. Changes can only be made by the Shoot Organiser (Sarah Kalell).**
8. All score pads must be signed by each individual in the squad, the scorers and the umpire. Only justifiable queries to be referred to the Jury via the Shoot Organiser (Sarah Kalell). Pads to be returned to the office by the scorer at the end of the round.
9. Equipment – traps, scramblers etc. must not be tampered with. In the event of a breakdown contact the shoot convenor.
10. **Reloaded/Self-Loaded Ammunition**
Any person shooting reloaded/self-loaded ammunition must be aware that the Jury at any event is entitled to obtain samples of reloaded ammunition for testing.
11. Please assist the organisers by adhering to these rules and so facilitate the smooth running of this event.
12. Where a dispute occurs and the rules are not explicit enough to provide for a clear cut decision, the final decision rests with the individual discipline jury as elected for this event.
13. Dress code : the dress code as per the CTSASA Competition Regulations will apply. Eye and ear protection is mandatory. No open shoes or sandals. No camouflage, no shorts shorter than 5cm above the knee, no ripped or torn clothing - "Smart/Casual" is the standard. All clothing must be tidy and clean.
14. **No cell phones to be used for any purpose whilst shooting a round of clays. No smoking or 'vaping' (e-cigarettes) on the shooting ranges.**

Thank you for your co-operation!

A Brief History of the Chairman's Cup

The Chairman's Cup in its present form is now in its 40th presentation, having commenced in 1984. Prior to this, the event had been held in a different format and had been mostly sponsored by Datsun, followed by Swartklip Products. For most of the recent past, the CTSASA has been sponsoring the event with the exception of the ammunition.

In 1984, an overall High Gun Trophy and trophies for each individual discipline were presented by the late Dr Alec Kalell, Chairman of the CPSA (now CTSASA). The competition was now called "The Chairman's Cup" and its timing at the end of November concludes the shooting calendar of the CTSASA. The Annual Awards Ceremony for all the year's awards is held on the Friday evening prior to the start of the Chairman's Cup. This is a prestigious evening where National Protea Colours, Association Merit Colours and other awards are presented to the winners and high achievers of the year. To view past winners, records and results as well as the current information, please go to:

<https://www.ctsasa.co.za/competitions/chairmans-cup-information-results-and-records/>

MANDATORY SHOTGUN SAFETY RULES

- 1 Treat every gun as if it is loaded and with the utmost respect at all times.

- 2 When carrying a gun it should be open and empty at all times. Pump action and semi-automatic guns should be carried with bolts back, chambers and magazines empty, barrels pointing upward, breech forward

- 3 Avoid alcohol and horseplay when in possession of a gun.

- 4 When using a gun you should have on your person only those cartridges which are of the correct gauge and chamber length to match the gun.

- 5 All guns should be:-

- (a) "nitro-proofed"
- (b) "in proof"
- (c) in safe and sound condition to shoot.

- 6 DO NOT point or fire your gun at anything other than a clay target (i.e. do not point or fire your gun at any other inanimate or animate object). Failure to observe this rule will lead to disqualification and expulsion from the ground.

BEHAVIOUR ON FIRING POINT

- 7 Before loading your gun with one or two cartridges, check that the barrels are free from obstruction and that they are pointing up the range.

- 8 Keep the muzzles pointing up the range at all times until you have opened and emptied your gun. Then (and only then) you may turn around and walk off the firing point.

- 9 **GUN MALFUNCTION** - Keep the muzzles pointing up the range until the malfunction is identified and corrected. (If upon firing the gun the cartridge makes an unusual report, then before reloading you should check the barrels are free from obstruction).

- 10 **REMEMBER YOU (AND ONLY YOU) ARE RESPONSIBLE FOR THE SAFE HANDLING OF YOUR GUN AT ALL TIMES. YOU ARE ALSO RESPONSIBLE FOR THE BEHAVIOUR AND SAFETY OF YOUR FAMILY, GUESTS AND ANIMALS WHEN THEY ARE ON THE SHOOTING GROUND.**

The above represents the main 10 shotgun safety rules. There are more safety rules in the individual discipline rule books. It is your responsibility to learn ALL of the safety rules.

HIGH PERFORMANCE

F3 "VANTAGE"

The F3 shotgun is designed for intuitive shooting, in combining superior ergonomics and technology. Featuring a significantly higher rib and a perfectly balanced stock, the F3 allows for an upright head position. This improves visibility, which in turn leads to faster target acquisition with noticeably less neck and shoulder strain, making the F3 "Vantage" the ideal shotgun for ambitious shooters who focus on peak performance.

NATSHOOT
EVER EVOLVING

At Natshoot, we understand the demands of modern life. Our activities are designed to support dedicated hunters and sport shooters who may not always be able to attend structured events.

With Natshoot, you participate on your own schedule, making it easier to stay active in the shooting and hunting community without compromising your other commitments. Members engage in a wide variety of hunting and sport shooting activities at times and locations that are most convenient to them, while still meeting the required standards for legal, responsible, and safe participation.

From target shooting and postal competitions to hunting expeditions and practice sessions, there are numerous opportunities to maintain your Dedicated Status, ensuring you remain an active and recognised Dedicated Member.

Natshoot is an **EVER EVOLVING** association that adapts to the needs of today's Hunters and Sport Shooters

Natshoot facilitates direct firearm management with electronic communication, while respecting privacy laws.

Members access updated Natshoot documents 24/7 on the Member Portal, with ongoing administrative and legal support.

Legal advice is available from a Natshoot advisor or Legally Armed, ensuring quick support.

Dedicated Status

Why become a Dedicated Hunter or Sports Person?

- No limit to the number of firearms that can be licensed (if well-motivated)
- Dedicated hunter and/or sports-person may hold more than 200 rounds per firearm licensed under Section 16

Firearm Licensing

Natshoot Assists with the Following:

- Endorsements
- Motivation examples
- Firearm license-related queries
- Long outstanding firearm licensing

Natshoot Assists with:

- Dedicated status
- Activities
- Scores/Postal shoots
- Firearm license-related queries
- Hunting and Sports shooting queries

The 42nd Annual CTSASA Chairman's Cup

22nd/23rd November 2025

Hosted by : Valley Gun Club : Western Cape

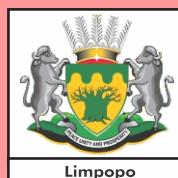

We honour and thank all of our **CTSASA Provincial Members** (the provincial CTSAs), who work together and **who are the management structure of The CTSASA**. Each provincial CTSAs has **their own elected representative on the national CTSASA Executive Committee** and who works at national CTSASA level. **This is collectively known as "The CTSASA", although in effect, we are an association of members, so collectively everyone in our association is "The CTSASA".**

We thank all our members, clubs and provinces for their continued commitment to the beautiful sport of Clay Target Shooting and to this, the CTSASA's 42nd Chairman's Cup (inter-provincial)

We wish all our CTSASA Provincial Teams a magnificent 42nd CTSASA Chairman's Cup!

The CTSASA :

*(consists of individual CTSASA members of CTSASA clubs,
which are members of our Provincial CTSAs - we are ALL the CTSASA!)*
